

FLOWERS AND PLANTS SECTOR

Non-exhaustive list of issues and questions to facilitate preparations for bilateral meetings

1. Production statistics

Can you provide figures for the open air production and the glasshouse or tunnel production: type of production, region and season production, acreage, quantity.

2. Quality standards

Did you define quality standards for national production? If yes, which ones?

3. Is there a system of aid for production and/or for marketing?

4. Is research and promotion financed by public funds?

5. Are there specific arrangements for trade with third countries?

About quality, minimum entry prices, customs duties, safeguard clause.

6. Joining the EU: what does it mean for the sector in your country?
