

### Other Community instruments

Alastair Macphail, European Commission, Directorate General for Education and Culture, Vocational Training and Adult Education Policy

#### **Europass: legal basis.**

**Decision 2241/2004/EC** of the European Parliament and the Council of 15 December 2004 on a single **Community framework for the** transparency of qualifications and competences (Europass)

#### Europass: aim.

Europass helps to make qualifications and competences more easily understood throughout Europe to facilitate citizens' mobility.

#### **Europass includes five existing documents:** The backbone of Europass. CV Language Details on language skills using a **Portfolio** recognised framework.

- Mobility All mobility for learning purposes
- Explaining the holder's pathway Diploma Supplement in higher education. Certificate Explaining the competences
  - Supplement behind a vocational certificate. **Europass is an open system: further documents** can be added in future.

#### **Europass is implemented:**

- Through a network of National Europass Centres being now established
- Through a European portal, technically developed and hosted by Cedefop

http://europass.cedefop.eu.int

#### **Candidate countries:**

- In principle included in the initiative (Article 14)
- The European portal will also be available in their languages
- Europass correspondents (and ETF) attend meetings
- Specific operational frameworks will be defined in 2006 (CC, Commission, Cedefop, ETF)

# Advisory Committee for Vocational Training (ACVT)

- Legal base
