

SCREENING CHAPTER 6 COMPANY LAW

AGENDA ITEM : SOCIETAS EUROPAEA

**Country Session : The Republic of Turkey
20 July 2006**

Societas Europaea

- According to Art. 2 of the Regulation (EC) No. 2157/2001, **only companies formed under the law of a Member State** may form a European Company.
- Therefore, the conditions for regulating the SE do not exist for non-member states such as Turkey.
- Furthermore, the SE is adopted by a “regulation” directly applicable in the Member States and does not need to be transposed into domestic law. The SE Regulation shall become directly applicable in Turkish law upon accession.
- For these reasons, the SE has been dealt with neither by the TCC nor the Draft.
