

# FARM ACCOUNTANCY DATA NETWORK (FADN)

# Farm Accountancy Data Network (FADN)

**Currently there is no system similar to FADN**

## Policy Framework

- Accession Partnership-2003  
a short term priority
- Accession Partnership-2005 (proposal)  
a mid term priority

- Upgrading Statistical System of Turkey

Assessment of Data Providers of Turkish Statistical System

Institutional and technical support needed.

National Programme of the Adoption of Acquis  
(NPAA), horizontal issues  
(Official Gazette 24 July 2003 )

## Existing Data Sources

TURKSTAT Farm Structure Surveys (FSS)  
in 2006

Sample agricultural holdings from National Farmer  
Registration System (NFRS) for FSS

Commercial holdings from FSS

A sub-sample for FADN from FSS sample

**Possible breakdown of the information by region,  
type of farming and size,**

NUTS I, regions (12 regions)

**Method for selection of the participating farms,**

Farms fulfilling the criteria determined for FADN

Voluntary basis

Payment granted from the national budget.

## **Data collection:**

MARA Provincial Directorates

## **Data processing:**

MARA

## **Management of the system:**

MARA

## Progress made

1. A project fiche prepared for EC-Turkey pre-accession financial assistance 2006 programme, currently under review.
2. Draft Law *on* Agriculture, which includes an article about FADN

**THANK YOU FOR YOUR  
ATTENTION**
