## Support to Promotion of Agricultural Products

- Turkey does not have any legislation regarding the promotion of agricultural products in third countries.
- Turkey does not provide any financial support to promotion of agricultural products in third countries.

- **Hazelnut Promotion Group** established in 1997, has been promoting hazelnut in selected foreign markets. The activities of the group are financed by voluntary contributions of private sector. UFT takes part in this group.
- **Recently a similar Promotion Group was also established for pistachios.**
