Co-Beneficiary(ies)	<ul style="list-style-type: none">• Gender Studies, o.p.s (Czechia) Gender Studies Civil Society Organization (Czech)• Eesti Puuetega Naiste Ühenduste Liit (EPNÜL) (Estonia) Estonian Association of Disabled Women• Lietuvos Moterų Draugijos (LMD) (Lithuania) Litvianian Women Association
Associate(s)	<ul style="list-style-type: none">• Prague Municipality• Rize Findikli Municipality• Ordu Gulyali Municipality
Duration of the Project	15 Months
Grant Amount / Budget of the Project	149.923,69 Euro / 166.581,88 Euro
Location(s) of the Project	Rize, Ordu, Prague (Czechia), Estonia and Lithuania
Coordinator Beneficiary Social Media Accounts	www.bizdevarizdernegi.org https://www.instagram.com/biz_de_variz_dernegi/?hl=tr

OBJECTIVES OF THE PROJECT

The project is implemented to develop a dialogue for carrying women's CSOs in Turkey, Czechia, Estonia and Lithuania to a more active and stronger level. With this dialogue, it is aimed to ensure exchange of information on "women-friendly cities" and "women with disabilities approach" of women's CSOs between Turkish and European CSOs and to provide information to local governments in this regard.

MAIN ACTIVITIES

- Conducting project coordination, monitoring, assessment, evaluation, and reporting activities
- Conducting visibility and dissemination activities
- Exchanging experience under the activities of "Women-Friendly Cities Programme"
- Conducting the activities under "We Get Stronger as We Become More Aware"
- Establishing the "Women in Local Governance E-Platform"
- Preparing and delivering "Women-Friendly Cities Programme" trainings
- Organising "Turkey and EU Conferences"

EXPECTED OUTPUTS

- A coordination team will be built, and strong monitoring, assessment, evaluation and reporting processes will be ensured.
- A communication strategy will be prepared.
- Turkish, Estonian, Lithuanian, and Czech women's CSOs will exchange information on "Women-Friendly Cities", and best practices of Prague Municipality will be examined.
- The awareness level on women with disabilities will be increased among women's CSOs.
- "Women in local governance e-platform" will be established with the participation of CSOs.
- A capacity will be built among the directors and representatives of Rize-Fındıklı Municipality and Ordu-Gülyalı Municipality to establish "women friendly cities".
- Advocacy capacity of women's CSOs in Fındıklı and Gülyalı will be strengthened in terms of women-friendly cities.
- Conferences on cultural structure of Turkey as well as accession of Turkey to the European Union will be held in Estonia, Lithuania and Czechia while in Ordu and Rize Provinces, conferences on fundamental values, functioning and policies of the EU will be organised.

A Common Challenge- Two Different Cultural Perspectives

Contract Number	TR2016 / DG / 03 / A1-01 / 067
Coordinator Beneficiary	Stichting Nederland Kennisland (Netherlands)
Co-Beneficiary(ies)	Güven Education and Health Foundation
Associate(s)	Social Sciences University of Ankara-Social Innovation Centre
Duration of the Project	14 Months
Grant Amount / Budget of the Project	144.961,41 Euro / 161.139,86 Euro
Location(s) of the Project	Ankara, Amsterdam (Netherlands)
Coordinator Beneficiary Social Media Accounts	www.kl.nl https://twitter.com/Kennisland/ https://www.facebook.com/kennisland https://www.linkedin.com/company/kennisland/

OBJECTIVES OF THE PROJECT

The project is implemented to create a dialogue between Turkey and the Netherlands, which will form a basis for joint efforts to cope with social problems related to elderly care. It is aimed with this dialogue to work towards solutions to such challenges through joining two different cultures together within the framework of elderly care and focusing on the subject from different cultural perspectives.

MAIN ACTIVITIES

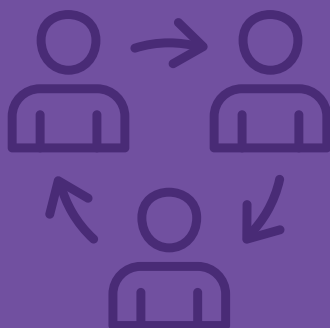

- Conducting a desk study to identify the current status of elderly care in Turkey and the Netherlands from different cultural perspectives
- Conducting working group activities
- Preparing a comparative report on how elderly care is handled in two cultures
- Compiling the real life stories on elderly care in both countries
- Disseminating the outcomes and carrying out study visits for networking
- Carrying out a closing conference

EXPECTED OUTPUTS

- A comparative report will be drafted on the way of addressing elderly care in two different cultures.
- Seminars, awareness-raising and networking activities will be organised in Turkey and the Netherlands.
- A closing conference will be held to disseminate the outcomes to a larger audience.
- Real life stories will be collected and shared.

Fostering Social Inclusion in Multicultural Regions

Co-Beneficiary(ies)	Support Group Network (SGN) (Sweden)
Associate(s)	<ul style="list-style-type: none">• Kırıkhan Municipality• Avcılar Municipality• Municipality of Mölndals Stad (Sweden)• Municipality of Trollhättans Stad (Sweden)
Duration of the Project	15 Months
Grant Amount / Budget of the Project	149.697,10 Euro / 166.998,11 Euro
Location(s) of the Project	İstanbul, Hatay, Mölndal, Trollhättan (Sweden)
Coordinator Beneficiary Social Media Accounts	<p>www.yuva.org.tr https://twitter.com/yuvadernegi https://www.instagram.com/yuvadernegi/ https://www.facebook.com/yuvadernegi https://www.youtube.com/channel/UCzqN8KvF2cEX6dTeW1vAxsA https://www.linkedin.com/company/yuva-derne%C4%9Fi/?originalSubdomain=tr</p>

OBJECTIVES OF THE PROJECT

The project is implemented to develop the dialogue between the CSOs in Turkey and Sweden. With this dialogue, it is aimed to improve working methods for encouraging social inclusion in multicultural regions through benefiting from the cooperation between Turkish and Swedish CSOs and local governments.

MAIN ACTIVITIES

- Conducting project's kick off meeting online
- Conducting study visits to Sweden, Germany and Turkey
- Organizing a workshop to determine the content of the White Paper (Turkey)
- Organizing 1 panel meeting in Istanbul with the participation of 15 CSOs to share previous experiences, basic learning and to raise awareness about the relevant EU Acquis
- Organizing an online panel on the white paper, open to the participation of Turkish and European CSOs and municipal representatives, including FIER (Fast-track Integration in European Regions) project partners
- Conducting the final project evaluation meeting

EXPECTED OUTPUTS

- A steering committee will be established, projects to be reviewed during the study visits will be selected and an online kick off meeting will be organised for each of the projects.
- A total of three study visits to Turkey and Germany will be conducted to meet the members of the targeted CSOs and municipalities and discuss their ways of working.
- A workshop will be organised to discuss the ways of working, learnings as well as the recommendations to be shared in the White Paper.
- The White Paper will be finalised in a way to include learnings in three languages (Turkish, English and Swedish) and distributed to Turkish and Swedish CSOs working in the field of social inclusion.
- Social impact analyses will be conducted within the scope of the activities of project.
- 1 online panel on Official Report to be open to the participation of Turkish and European CSOs and municipal representatives as well as FIER project partners will be organised.
- A final evaluation meeting will be held where feedback for possible future actions and recommendations will be shared, and a report will be prepared.

OBJECTIVES OF THE PROJECT

The project is implemented to develop a strong and sustainable dialogue between the CSOs in Turkey and Romania in order to contribute to decrease the rate of delinquent recidivists after release from prison. Within this scope, it is aimed to develop an alternative rehabilitation programme to be implemented in the juvenile prisons in Turkey.

MAIN ACTIVITIES

- Conducting workshops with children to identify their training needs
- Conducting workshops related to the staff in the pilot prisons to develop the context and methodology of the rehabilitation programme
- Preparing a programme of training of trainers for the staff of the prisons
- Planning the rehabilitation programmes in the 2 pilot programmes
- Conducting an evaluation workshop to finalise the rehabilitation programme
- Carrying out a study visit to Romania
- Preparing at least 3 project proposals
- Conducting academic research

EXPECTED OUTPUTS

- At least 10 contacts will be made with the CSOs in the EU member states.
- A partnership will be established between SHUDER and CPIP.
- 10% decrease will be ensured in the rate of delinquent recidivists.
- The skills of 16 staff members working in juvenile prisons will be increased by 100% within the scope of alternative rehabilitation programme.
- The academic research, consisting of a comparative study on the alternative rehabilitation programme in Turkey, Romania and other EU countries, will be completed.
- The best practices of at least 3 EU member states will be examined and policy recommendations will be submitted to the Ministry of Justice.

Strengthening the Elderly through Dialogue between CSOs in EU and Turkey

OBJECTIVES OF THE PROJECT

The project is implemented to encourage a strong dialogue between Turkish and European disability CSOs. With this dialogue, it is aimed to conduct analysis on the contributions of the EU to the person with disabilities in the member states and candidate countries as well as raising awareness about potential positive impacts of the EU process on the disability rights.

MAIN ACTIVITIES

- Organising a kick off meeting
- Organising a partners strategy meeting
- Carrying out a quantitative analysis on the perceptions and expectations of the disability CSOs on the EU
- Developing a report on the policies and mechanisms related to the disability in the EU
- Developing reports on the impacts of the EU on the lives of the people with disabilities in Turkey, Italy and Romania
- Carrying out regional meetings targeting disability CSOs in 7 provinces
- Establishing a network between the disability CSOs in Turkey and the EU member states
- Conducting promotional and dissemination activities
- Conducting a closing meeting

EXPECTED OUTPUTS

- 4% increase will be achieved in the rate of the stakeholders saying: “My awareness increased about the EU contribution to the field of disability”.
- Questionnaires will be implemented to 4000 people from target groups and in-depth interviews will be carried out with 100 people from target groups.
- 2% increase will be achieved in the rate of the stakeholders who want “to be a part of the accession process” on the field of disability on the national level.
- 80% increase will be ensured in the cooperation capacity of the network members.
- 1000 people will visit the website and 5000 people will visit the social media accounts.
