Coordinator Beneficiary Social Media Accounts	www.halieus.it https://twitter.com/Halieus_ https://www.facebook.com/halieus.coop https://www.linkedin.com/company/halieus/ https://www.youtube.com/channel/UCFPohTKZyY4UgxUogud9raQ/featured

OBJECTIVES OF THE PROJECT

The project is implemented to ensure that the accession of Turkey to the EU, as Turkey being the major actor of the EU accession, contributes to a sustainable dialogue between the CSOs and cooperatives in Turkey and the EU member states. With this dialogue, it is aimed to provide assistance to the integration of Turkish cooperative activities into the EU's cooperative approach and strengthen local cross-sectoral organisation.

MAIN ACTIVITIES

- Taking a census of the cooperatives
- Defining capacity building programmes in relation to the basic needs of the cooperatives
- Conducting 10 workshops
- Organising study visits
- Building working groups that comprise cooperatives' representatives to define the rules and procedures of the new local cross-sectoral network
- Organising thematic network working groups to identify new strategies for advocacy
- Conducting public awareness-raising activities on the potentials of the cooperatives
- Conducting communication activities

EXPECTED OUTPUTS

- At least 40 cooperatives will undertake improvement commitments and at least 30% of them will adopt the improvements.
- 50 cooperatives joining the new local cross-sectoral network will approve the rules and procedures and the strategies.
- 60 interviews will be carried out for diagnostic assessment.
- 200 participants will attend capacity building workshops.
- 300 participants will attend public awareness raising event.
